GENERAL RULES

Contest year: January 1 to December 31 included. Scores to be submitted to Awards. Committee by February 1.

Contest--Count points separately for phone and CW

Certificates--Count points separately for Phone and CW if separate Certificates awarded.

1000 Points maximum per class with Minimum of five (5) classes for qualifications.

All achievements must be accomplished during contest year.

All appointments must be made or renewed during contest year.

All ARRL Appointees must regularly participate in the activity and also in at least 2 CD tests during contest year.

QSL'S are not necessa ry for points for states, countries, continents, or zones worked, tho evidence - satisfactory to the Awards Committee - of contacts must be available upon request.

Certificates must be issued during contest year to receive bonuses, tho part of the qualifications may have been earned in previous years.

All contests are on an intra-club basis: logs must be presented to contest chairman by deadlines.

Separate awards will be given for Novice Class, using same rules as for regular membership.

To be eligible for Award, (except for continued confined illness or gainful employment) a minimum of 6 regular membership meetings must be attended during the contest year.

Points may be rescinded by the board for mal-operating practices or for FCC Citation,
